

DREAM FLOORS

HUNDREDS OF DESIGN IDEAS FOR EVERY KIND OF FLOOR

BY KATHLEEN S. STOEHR

The Book

An inspiring guide to floor coverings featuring more than 600 photographs, *Dream Floors* completes the Randall International Dream Series, approaching the selection of flooring for the home and workplace in a no-nonsense, informative way, coupled with inspiring, spot-on color photography.

Chapters on hardwood, laminate, tile, stone, carpet & rugs and more offer an array of flooring photography, explain advantages and disadvantages of each type and also offer advice on which kind of flooring works best under which situation. After reading this book, consumers—as well as interior designers—will be able to walk into any flooring store with confidence.

Along with information on care and cost, advice and assistance, as well as a handy glossary, you will be amazed at the wide variety of products on today's market!

The Author
